

New Traffic Pattern for the Northeast Quadrant at Route 29 and Rio Road Starting September 9th

Be alert for new traffic patterns on Route 29 near the Rio Road intersection. Starting September 9th the intersection at Albemarle Square will change, with the stoplights deactivated and the median closed. A new temporary median and stoplight will open for U-turns for northbound traffic only.

Southbound traffic can enter the Albemarle Square quadrant by making a U-turn at Rio Road or by turning left on Rio Road and left at the southeastern entrance to the shopping area.

More information about Route 29 road improvements is online at Route29Solutions.org.
